Glass top optional

The Vitae Freestanding Cassette stove carries all the same outstanding features as the traditional cassette but has the added benefit of increased versatility within the home. Outside air as standard.
Available in 6, 9 & 11kW models.

Vitae Boiler Stoves

The Vitae Glass Fronted Insert Boiler Stove will fit perfectly into any standard fireplace. It offers a cost efficient alternative to the more traditional central heating system.

Features

- Large viewing glass and sleek glass fronted stove door
- High chrome grate for optimal fuel burn
- Suitable for outside primary air
- Airwash technology for clear glass
- Full cast iron construction
- Reduces heat loss up the flue when unlit
- Available in 18kW and 25kW

Vitae 18kw Boiler

Vitae 25kw Boiler
